3 EXPLANATION

4 This bill eliminates a disparity in the annual registration
5 fees for older multipurpose vehicles. Under existing law,
6 a flat fee schedule applies for 1992 model year and older
7 multipurpose vehicles, and fees based on weight and value apply
8 for 1993 and subsequent model year multipurpose vehicles.
9 Under the flat fee schedule, the annual fee is \$55 for a
10 1992 model year or older multipurpose vehicle, but under the
11 weight and value system, the annual fee is \$50 for a 1993
12 or subsequent model year multipurpose vehicle that is 12
13 model years old or older. The bill strikes the obsolete flat
14 fee schedule and treats all multipurpose vehicles the same,
15 thereby reducing the annual fee for a 1992 model year or older
16 multipurpose vehicle to \$50.

17 The bill revises existing provisions that establish an
18 annual registration fee of \$60 for a vehicle equipped to assist
19 a person with a disability to enter and exit the vehicle if
20 the person with a disability is the owner of the vehicle or a
21 member of the owner's household. The \$60 fee also applies if
22 the owner of the vehicle or a member of the owner's household
23 uses a wheelchair as the only means of mobility and use of
24 the wheelchair is not due to a temporary injury or condition.
25 The bill extends the \$60 fee to lessees as well as owners.
26 In addition, the bill extends the \$60 fee to motor trucks
27 registered as business-trade trucks and older model trucks
28 which are otherwise subject to a fee based on the combined
29 gross weight of the vehicle or combination of vehicles.
30 Currently, only 2010 and subsequent model year motor trucks
31 with a combined gross weight of 10,000 pounds or less that are
32 registered for a fee based on weight and value are eligible for
33 the \$60 fee.
